

Meaningful Use
March 18, 2011
8:30am to 10:00am

Meaningful Use

About this Session:

Since the American Recovery and Reinvestment Act was signed by President Obama in February 2009, “Meaningful Use” has been one of the most popular terms in healthcare. Join us as we take a closer look at what is really involved in “Meaningful Use”, what it takes to get there, and what the incentives might look like for your organization.

We will explore:

- The background of HITECH Act
- Which individuals and organizations are eligible for incentives
- The financial incentives
- The requirements for meeting Meaningful Use in Stage 1 and beyond
- Reporting on Meaningful Use criteria

About the Speakers:

Elizabeth Amato Fleck, Innovative Solutions Health IT

Ms. Fleck came to Innovative Solutions Health IT in 2010, with previous experience as an administrator for a large OB-GYN practice. Ms. Fleck applies this experience to develop and adapt clinical optimization services that are customized to meet the specific needs and expectations of her physician clients. Ms. Fleck received a Bachelor of Science Degree in Education and Psychology from St. John Fisher College and a Master of Science in Healthcare Administration from Roberts Wesleyan College where she received the Distinguished Leadership and Academic Achievement Award.

Justin Copie, Director of Health IT for Innovative Solutions Health IT

Mr. Copie has directed the development of an elite group of dedicated EHR technology advisors who serve as consultants to medical practices from evaluation through implementation and optimization. His team has helped guide the implementation of more than 100 practices in the Western New York region. Mr. Copie has worked to create and improve strategic alliances with major healthcare stakeholders including the Greater Rochester RHIO, Monroe County Medical Society, MGMA, University of Rochester, Rochester General Health System, GRIPA, HEALTHeLINK, Community Healthcare Association of NYS. Mr. Copie received a Bachelor of Science Degree in Information Technology from Rochester Institute of Technology.
