

# ICD-10 Coding Overview

Join us for a Webinar on March 28 1:00 PM - 2:30 PM EDT

**REGISTER NOW**

## **Space is limited.**

Reserve your Webinar seat now at:

<https://www1.gotomeeting.com/register/320494168>

The presentation will highlight the need for your facility to have an implementation plan in place for the transition to ICD-10-CM and ICD-10-PCS. The plan needs to address system upgrades, training needs and budgetary impact including short-term productivity reductions. Key to the success of the project is the identification of the right people to lead the transition. In this session we will discuss strategies to get the process going and identify key components of the implementation plan.

## **Who Should Attend:**

CFO/CEO/Other Executives

Controller, Budget and Finance executives

Directors and Managers of Revenue Cycle, PFS and Patient Access, HIM

Reimbursement and Contracting Directors, Managers

Compliance Officers,

Others

After registering you will receive a confirmation email containing information about joining the Webinar.
